BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. **Section 1. Short title -- purpose.** [Sections 1 through 6] may be cited as the "Montana summer youth tobacco prevention program", established pursuant to the Workforce Investment Act of 1998, 29 U.S.C. 2801, et seq., and Article XII, section 4, of the Montana constitution, for the purpose of providing local youth community-based organization grants to provide training and tobacco prevention programs.

NEW SECTION. **Section 2. Goals.** With the creation of the Montana summer youth tobacco prevention program, the legislature intends to:

- (1) provide to as many eligible youth as possible a quality summer experience to assist them in achieving an understanding of the health risks of tobacco use, including a variety of options for improving educational and work-related activities that will expose the youth to the health risks, medical costs, and human suffering that results from the use of tobacco products;
- (2) provide opportunities for education and training services to eligible youth, with emphasis on the 14- to 17-year-old age group;
- (3) provide opportunities for eligible youth to participate in activities related to leadership development, decisionmaking, citizenship, and community service; and
- (4) ensure ongoing community opportunities for eligible youth to participate in tobacco prevention programs.

NEW SECTION. **Section 3. Eligibility -- exceptions.** (1) To participate in the Montana summer youth

1 tobacco prevention program, a youth must:

2 (a) be 14 through 17 years of age; and

4 (i) have been determined to meet the eligibility requirements for reduced or free meals under the
5 National School Lunch Act during the most recent school year;

6 (ii) be participating in a compensatory education program under Chapter 1 of Title I of the Elementary
7 and Secondary Education Act of 1965, 20 U.S.C. 6301, et seq.; or

14 (d) residency;

15 (e) participation in a reduced or free lunch program; and

16 (f) attendance in a Title I compensatory education program.

17

18 **NEW SECTION. Section 4. Authorized services.** The authorized services provided under the

24 (a) onsite visits to hospitals, respiratory therapy facilities, physicians' offices, and city, county, and state
25 public health offices for the purpose of learning about and witnessing the consequences and health costs related
26 to tobacco use; and

27 (b) the exploration of job opportunities in the health care industries and in law enforcement agencies.

28

29 **NEW SECTION. Section 5. Program operation period -- participant selection -- performance.** (1)

30 Except as provided in subsection (2), the Montana summer youth tobacco prevention program must be

1 conducted during the school vacation period occurring during the summer months.

2 (2) In circumstances in which the local education agency operates a school on a year-round, full-time
3 basis, Montana summer youth tobacco prevention program activities may be offered to participants during
4 periods that are the equivalent to a school summer vacation period.

5 (3) The selection of youth for participation in the Montana summer youth tobacco prevention program
6 must be coordinated with the youth providers of the Workforce Investment Act of 1998, 29 U.S.C. 2801, et seq.,
7 local school districts, alternative high schools, juvenile justice programs, foster care programs, faith-based
8 organizations, and other local community-based organizations.

9 (4) The core indicator of performance success for the Montana summer youth tobacco prevention
10 program is the rate of successful completion by a participant of the program objectives.

11
12 **NEW SECTION. Section 6. Administration.** The Montana summer youth tobacco prevention program
13 must be administered by the local workforce investment boards as identified under the Workforce Investment
14 Act of 1998 and as designated by the governor. Local workforce investment boards shall provide funds in the
15 form of grants to local community-based organizations to implement the program. Oversight of the program must
16 be provided by the statewide workforce programs bureau of the workforce services division of the department
17 of labor and industry.

18
19 **NEW SECTION. Section 7. Appropriation.** The following is appropriated from the tobacco settlement
20 trust fund established in Article XII, section 4, of the Montana constitution, to the statewide workforce programs

24
25 **NEW SECTION. Section 8. Codification instruction.** [Sections 1 through 6] are intended to be
26 codified as an integral part of Title 39, and the provisions of Title 39 apply to [sections 1 through 6].

27
28 **NEW SECTION. Section 9. Two-thirds vote required.** Because [section 7] appropriates money from
29 the tobacco settlement trust fund, Article XII, section 4(1), of the Montana constitution requires a vote of
30 two-thirds of the members of each house of the legislature for passage.

2 NEW SECTION. **Section 10. Effective date.** [This act] is effective May 1, 2003.

3

4 NEW SECTION. **Section 11. Termination.** [This act] terminates September 15, 2004.
